Roll 19

FIFTH CENSUS OF THE UNITED STATES

1830

POPULATION SCHEDULES

GEORGIA

Volume 4

THE NATIONAL ARCHIVES

Washington: 1945

INTRODUCTORY NOTE

In this microcopy are reproduced the population schedules of the Fifth Census (1830) of the United States. The schedules for each State or Territory comprise one or more volumes, and the volumes are arranged alphabetically by name of State or Territory and thereunder by volume number. Each volume has been photographed on a separate roll; Volume 1 of the Alabama schedules appears on Roll 1, and Volume 13 of the Virginia schedules appears on Roll 201, which closes the microcopy.

The 6 volumes that contain the schedules for the 76 counties of the State of Georgia then in existence are reproduced on Rolls 16-21 of the microcopy. Population data were separately returned for each county, and the schedules are arranged by county in alphabetical order. The first and last counties represented in each of the volumes are as follows:

Vol. 1 (Roll 16), Appling - Crawford
Vol. 2 (Roll 17), Decatur - Gwinnett
Vol. 3 (Roll 18), Habersham - Jones
Vol. 4 (Roll 19), Laurens - Muscogee
Vol. 5 (Roll 20), Newton - Tattnall
Vol. 6 (Roll 21), Telfair - Wilkinson

****

The backstrip of the fourth Georgia volume, microcopied on this roll, is labeled "Fifth / Census / 1830 / Population / Ga. / 4 / Laurens / Lee / Liberty / Lincoln / Lowndes / Madison / McIntosh / Marion / Mariwether / Monroe / Montgomery / Morgan / Muscogee." Schedules for the several counties listed on the backstrip begin on the following sheets:

Laurens	1	Marion	136
Lee	25	Meriwether ..	149
Liberty	40	Monroe	171
Lincoln	57	Montgomery ..	230
Lowndes	78	Morgan	237
Madison	95	Muscogee	276
McIntosh ...	120		

The information in the schedules is presented under the names of heads of families and comprises, for each family, facts of the age-group distribution of its members (male and female), of race (including a distinction between free and slave negroes), and of physical disabilities. The only names that appear in the schedules, therefore, are the names of heads of families or of individuals who were not enumerated within a family or household unit.

Although several sets of page numbers may appear on the schedules, the only pagination that is consecutive throughout the volume is by sheet number; that is to say, one number is assigned to every two facing pages, although it may not always have been inscribed on both of them. The two facing pages must be read together to obtain all information respecting a particular family. Consequently, since the page size permits of filming only one page to the frame, it will be necessary to examine two frames of the microcopy with reference to each other.

References in the table of contents above are to sheet numbers, which are also used below in a suggested form of citation. Sheets 37, 39, 92-94, 97, 135, and 283 are blank and have not been photographed. The volume closes with sheet 294. Occasionally, affidavits attesting to the posting of the returns have been inscribed on or attached to the schedules, and these affidavits have been filmed as they occur in the volume.

In referring to this volume, scholars may wish to indicate that it is among the records of the Bureau of the Census in the National Archives. An appropriate form of citation of a sheet in the volume is the following: Fifth Census (1830), Georgia, 4: 121.

Georgia

Liberty County is situated lying and being on the State of Georgia, bounded Easterly by the Atlantic Ocean, Southwardly by Mcintosh and Appling Counties, Westerly by Tattnall County, and Northwardly by Bryan County, about Sixty eight miles in length and twenty four miles in breadth, and having formed among the Citizens, order and industry with liberality of sentiments and Christianity of disposition provided as far as I am able to judge, knowledge and Learning exist a few exceptions. Also this Note is not required by Law yet it may not be improper or at least I hope will be no harm in making mention in this County on what inquiry I found five old Soldiers of Independence who are now living, they were active Soldiers in gaining our Liberty and Independence their Names, also in reading the Rev. Clergy I place R. for Presbyterian, B. for Baptist and M. for Methodist there are the different Churches of the Church in this County, may kind providence deep guide and direct the Americans ever to study wisdom Justice and Moderation
